Data Collection Summary

179 libraries completed their reports online this year and 67 submitted a paper report.

Twenty-three libraries did not submit an annual report this year. They are: Albert Church Brown Memorial Library (China), Berry Memorial Library (Buxton), Charleston Public Library, Cumston Public Library (Monmouth), East Blue Hill (Blue Hill), Glenburn Library, Hamlin Memorial Library (Paris), Jefferson Public Library, Lewis Dana Hill Memorial Library (Lovell), Lyndon Oak Memorial Library (Garland), Mechanic Falls Public Library, Monhegan Memorial Library, New Portland Community Library, Norridgewock Free Public Library, North Monmouth Public Library (Monmouth), Otis Public Library, Owls Head Village Library, Parsonsfield Public Library, Phillips Public Library, Revere Memorial Library (Isle Au Haut), South Thomaston Public Library, Weld Public Library, Winterport Memorial Library. Of these libraries, Lyndon Oak, South Thomaston and Lewis Dana Hill have not submitted a report since FY04. Charleston and Glenburn have not submitted a report since FY02. For purposes of more accurate data reporting, these libraries are included in this report with their last reported fiscal information. They were not, however, included in the federal report submitted in July. Several of these libraries receive free MSLN connections with federal e-rate funding.

Two libraries, Brownfield Public Library and Jackson Memorial Library completed partial reports online but did not submit them.

There are also a few libraries who submit reports without changing little, if any, of the figures from the previous year.

Seventy-seven libraries turned their reports in after the April 1st deadline; 31 were 20 days after the deadline and 16 were 30 days after the deadline.

Services Statistics Data Definitions FY06

From the WebPLUS User's Guide, Version 1.0 (NCES, December 2006)

- Library - This is the legal name of the administrative entity.
- Pop of LSA (Population of Legal Service Area) - The number of people in the geographic area for which a public library has been established to offer services and from which (or on behalf of which) the library derives revenue, plus any areas served under contract for which the library is the primary service provider. Note: The determination of this population figure shall be the responsibility of the state library agency. This population figure should be based on the most recent official state population figures for jurisdictions in your state available from the State Data Center. The State Data Coordinator should obtain these figures annually from the State Data Center or other official state sources.
- Library Visits - This is the total number of persons entering the library for whatever purpose during the year.
- Refer. Trans. (Reference Transactions) - A reference transaction is an information contact which involves the knowledge, use, recommendations, interpretation, or instruction in the use of one or more information sources by a member of the library staff. It includes information and referral services. Information sources include printed and non-printed materials, machine-readable databases, catalogs and other holdings records, and, through communication or referral, other libraries and institutions and people inside and outside the library. The request may come in person, by phone, by fax, mail, electronic mail, or through live or networked electronic reference service from an adult, a young adult, or a child.
- Total Program Attend. (Total Attendance at Library Programs) - This is a total count of the audience at all library programs during the reporting period.
- ILL Provide (Inter-Library Loans Provided To) - These are library materials, or copies of the materials, provided by one autonomous library to another upon request. The libraries involved in interlibrary loans are not under the same library administration. These data are reported as annual figures.
- Registered Patrons - A library user who has applied for and received an identification number or card from the public library that has established conditions under which the user may borrow library materials and gain access to other library resources.
- Total Print Collect. (Print Materials) – Includes both of the following: 1) books in print; 2) serial back files in print.
- Per Cap Collect. (Per Capita Collection) – Collection figure divided by Population of Legal Service Area
- Total All Circ. (Total Circulation) - The total annual circulation of all library materials of all types, including renewals.
- Per Cap Circ. (Per Capita Circulation) – Circulation figure divided by Population of Legal Service Area
- Users of Elec. Res. (Number of Users of Electronic Resources Per Year) - Report the annual number of users of electronic resources in the library. Electronic resources include, but are not limited to, Internet (WWW , email, Telnet, other), online indexes, CD-ROM reference materials, software, and the online catalog.
